

**REQUEST FOR QUOTATIONS FOR THE SUPPLY OF MEDICAL OXYGEN DELIVERY AND ANALYZER
DEVICES IN ETHIOPIA**

RFQ/CHAI/O2DEV/ETH/0133

No.	Clarification requested	Answer
1	Are there any preferences regarding the origin of the products, such as a preference for brands based on geographic location of origin?	CHAI seeks for quality products that meet the requirements/specifications as requested in Annex B, regardless of geographic location of origin.
2	Can you specify the types of facilities where the items will be utilized— whether in private facilities, Primary Health Centres, or Government tertiary Hospitals.	CHAI seeks for quality products that meet the requirements/specifications requested in Annex B regardless of the type of facilities they will be used in.
3	Is respiratory rate count an item that must be met by handheld oximeter?	While this is a good to have add-on. Submissions will be technically evaluated based on requirements/specifications requested in Annex B. Vendors will not be penalized for requirements/specifications not mentioned in Annex B.
